

THE BARE FACTS NEWSLETTER – FEBRUARY/MARCH 2017

Hello everyone,

Welcome to Spring...and pollen season! We are certainly having some great weather right now, but I understand we will probably have another cold snap before Easter (we seem to be getting some of that this week). I am so ready to plant my new spring flowers but afraid I might be jumping the gun so I guess I'll have to wait.

Dick and several helpers have started overlaying the bottom portion of the deck. I'm not mentioning any names as I'm not sure who all has been there to help and I don't want to leave anyone out. But thank you to those who have assisted. And I'm sure Dick will elaborate more on that.

During our recent annual membership meeting, several people volunteered to head up our events this year. Thank you to each of you. If anyone else would like to step up and volunteer, we would certainly appreciate it. Also we've listed the main fundraising events (other than Thanksmas which we typically do not charge for) but there's no reason we can't add other events if there is someone that wishes to host them. Again, ideas and volunteers are welcomed.

Easter - Tommy & Frieda - weekend of March 30th
Memorial - **no volunteers yet** - weekend of May 26th
July 4th – Wolfie, Tess & Jay - date to be determined
Labor Day- Len and Diana -- weekend of September 1st
Halloween - Roger and Sandra - date to be determined
Thanksmas - Greg and Sherry and Tommy & Frieda – date to be determined

In addition, Tommy and Frieda offered their services as Caretakers. So that takes effect March 1st. We look forward to the park being open more for this spring and summer to welcome our guests, and to a great season.

I just want to mention again to please keep our members in your prayers, those with health issues as well as those who have lost loved ones recently.

We would also like to welcome Greg W as our newest board member. You've got your work cut out for you buddy. Haha

Wishing happy birthdays to:

Feb - Sherry W, Selena A, Tommy M, Jay V

Mar - Donn S, Ralph W

I'm sorry most of the previous quarter's birthday people missed the birthday cake in January. You didn't get to taste it so you can enjoy the pic. ☺ One lucky couple was happy to take half of it home.

A NOTE FROM OUR BOARD PRESIDENT.....

Winter's over for the most part, spring's upon us with summer just around the corner. I hope to be seeing more of you (pun intended) as the weather warms and the sun begins to shine in earnest. A couple of our members already have a head start working on their tans. But be careful, as one worker bee found out, it's not too early to get a sunburn.

It's been a productive winter. Kudos to several members for the work they did in the past weeks and months. First, Jeff F bought and installed a new ice maker for us. The tub runneth over with cubes. Thanks to Jeff and Mike A who helped install the machine.

And then, as Judy mentioned, the lower portion of the deck has been overlaid with real 5/4 deck boards. Much thanks to Dave, Tommy, Frieda, Tony and Jeff S for all helping me install the boards. You guys and gal did a great job and without you it would never have been done. Believe me when I say it wasn't the easiest of tasks.

Suffice you will be impressed with the way the deck looks and feels. Hopefully no more splinters. PLEASE, when you see one of them give them a shout of praise and thanks. We'll talk about the next phases during the next general meeting.

Please keep our members who are having medical issues in your prayers. We recently lost one and I don't want to lose any more.

Best regards to all,
Dick

We need this!!!!

Points to Ponder...

- *** Ever wonder about those people who spend \$2.00 on those little bottles of Evian water? Try spelling Evian backwards.
- *** Why does sour cream have an expiration date?
- *** Whose cruel idea was it for the word "lisp" to have an "s" in it?
- *** Why isn't there mouse-flavored cat food?
- *** Why doesn't Tarzan have a beard?
- *** A perfect wife is one who helps her husband with the dishes.
